Free online college planning, scholarship books now available

Free online college planning and scholarship books are now available on alstudentaid.com, the website of KHEAA–Alabama.

“Getting In” provides information to students and parents about the college admissions and financial aid processes. It also includes information about costs of attending many Alabama colleges and universities, as well as the degrees those schools offer.

“Affording Higher Education” lists thousands of scholarship and other financial aid programs available to Alabama students. It has sections about state and federal student aid programs, college-specific programs, and scholarships offered by Alabama businesses and organizations.

KHEAA is a public, non-profit agency established in 1966 to improve students’ access to college. It provides information about financial aid and financial literacy at no cost to students and parents. KHEAA also helps colleges manage their student loan default rates and verify information submitted on the FAFSA. For more information about those services, visit www.kheaa.com.

In addition, KHEAA disburses private Advantage Education Loans on behalf of its sister agency, KHESLC. For more information about Advantage Education Loans, visit www.advantageeducationloan.com.
