Team Kentucky High School Seniors,

Congratulations on reaching this special milestone! I know your friends and family are incredibly proud of you for achieving your goals in and out of the classroom – and so am I. All of Team Kentucky celebrates you and your many accomplishments.

As you begin planning for your future, I hope you will consider pursuing some form of education beyond high school. You are helping us build our new Kentucky home, where there is opportunity and prosperity for everyone.

When you invest in your education, you can change your life and your family's life...while you make a difference for our state, country, and world. Our economy is booming, and Kentucky is creating the jobs of the future, right now.

Over the past five years, I've been proud to announce a record \$35 billion dollars in private sector investment – the most of any Governor in Kentucky's history.

Over the same period, we've broken our job-creation records, creating more than 60,300 new jobs – more than any other administration. Those jobs are waiting for you...and we're counting on your skills and talents to bring these projects to the finish line.

*Getting In* is your guide to getting into higher education – and how to pay for it. Produced by the Kentucky Higher Education Assistance Authority (KHEAA), *Getting In* has detailed information about Kentucky colleges and universities. It can also guide you and your parents through the college admissions and financial aid processes.

State agencies like KHEAA are here to help you as you pursue your dreams. For more resources and information on planning for higher education, visit [kheaa.com](http://kheaa.com). Best wishes on your senior year, and know that Team Kentucky will always be rooting for you.

Sincerely,
